

## How Do I become a member of Bowral Tennis Club?

Note: Players can now join online at any time during the year. After the first 6 months of every financial year joining players will be charged on a pro-rata basis through to the end of the financial year. If you have competed in club comps and events during the first 6 months however you will need to pay the full annual fee.

### To Join

Click on the 'Click to Join' button on the membership page of the website and fill out the form that appears at the bottom of the page

- Pay the fee via PayPal or by credit card

You will receive an email receipt which will also contain your new **Membership Number**. This number will stay with you for as long as you remain a member and will be required for all your court bookings. You will still receive a Club Badge in the mail showing this new number.

You will also receive a 4-digit PIN number which allows you to open the locks on gates 1 to 4 and access the Member benefits as described on the website Member page.

In addition to great court hire benefits members also receive:

- Tennis NSW player registration is included in your membership fee
- Free player accident insurance

NOTE: You can also join at the Pro-shop if you prefer.
